An Important Message From OWM Law - We Are Open

As ordered by Governor Wolf on Thursday evening, March 19, 2020, OWM Law has closed its physical offices; **however**, we are still ready to serve you with virtual legal services. Our investment in technology allows us to operate remotely and still provide the same level of service to our clients. It is our hope and expectation that the internal steps we are taking will be seamless.

We will respond to emails as quickly as possible. Our phone system is still operating, and being answered, and calls are being directed to the appropriate people. If you are mailing information, the mail will be scanned in and distributed to team members during this time. We are holding client meetings by phone, or potentially video conference. Document signing appointments are being rescheduled until after April 1, unless there are serious reasons that waiting is not possible.

We are finding that many existing clients are deciding that now is the perfect time to complete their estate plan (Wills and Powers of Attorney-Financial and Healthcare/Living Wills)! Please feel free to

contact us and we can work with you over the phone on these important documents.

We are also especially concerned about our elder and special needs clients who are particularly vulnerable during this time. Please contact Rebecca Hobbs, Esq. rhobbs@owmlaw.com or Kathleen Martin, Esq. kmartin@owmlaw.com to address your concerns.

Please take care and be safe. Regards, the OWM Law team.

Watch OWM's Legal Talk on PCTV, Tuesdays at 8:30 Channel 28, and Thursdays at 9:30 p.m. Channel 98, or on our website [here](#).
