

Bioethics and Clinical Challenges

Wednesday, November 17 at Noon

Speakers:

Beryl Goldman, Ph.D

Thomas P. McCabe, Esq.

David A. Megay, Esq.

Learning objectives:

1. Describe the role of our Ethics Committee and how it can be utilized.
2. Discuss important clinical considerations that must be kept in view in the delivery of patient care.
3. Review important legal documents and circumstances that can guide care givers in sound ethical practice.
